Synergy Dance Festival

Rouse Hill High School's Year 9 Dance elective group performed at Synergy Dance Festival on Wednesday the 7th of June and Wednesday the 14th of June at the Evans Theatre at Penrith Panthers with a dance piece titled Bad Blood.

The dance work is a story of a lucid dreamer, a journey that captures feelings and emotions in a dreamy way that stays entirely inside the dancer's head. The Year 9 Dance Elective class represented our school with determination, drive and passion.

In Term 3, they will be performing at the Orange Blossom Festival, the Hills Performing Arts Festival and competing at the Ultimate Dance Challenge in Dural. I would like to acknowledge and congratulate the following students; Peta Sternaras, Janie Hansen, Isla Forshaw, Ashley McKinnon, Tanner Lelo, Lily O'Donnell, Mikayla Paisley, Annalise Secanski, Ella Jae Ihalainen, Holly Caithness, Jessi Baker and Isabelle Assouline Hayes.

'Bad Blood' a story of a lucid dreamer, a journey that captures feelings and emotions in a dreamy way that stays entirely inside the dancer's head.

CAPA Report

On the 13th June, Ms Kirby and Ms Devine took their Year 9 Photography class, Year 10 Art class and Stage 6 Photography class on an excursion to Windsor Gallery. Students were able to view the 2017 Archibald Prize and then spent some time exploring Windsor Park. Students were amazed at the quality of artworks at the gallery and thoroughly enjoyed their day.

This term, Year 10 Visual Arts has been learning about site specific art. As part of the excursion to Windsor Gallery, the Year 10 Art class created artworks that they set up in Windsor Park and photographed. They had to carefully consider the location for their artwork, and consider how the audience can interact with the artwork.

I would like to thank Ms Kirby and Ms Devine for organising this rewarding opportunity for our students.

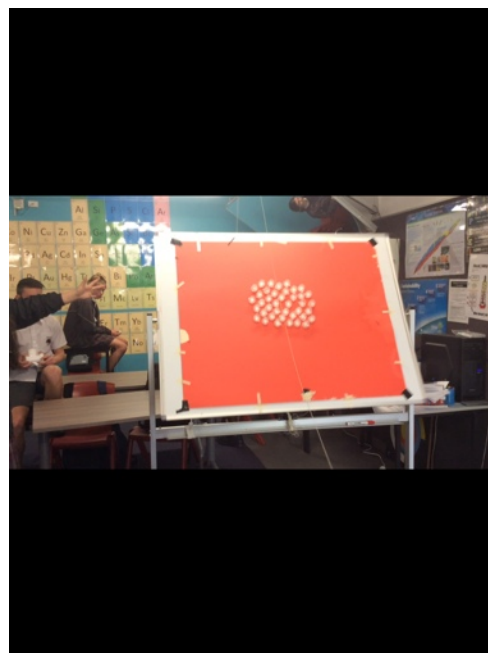

Hands On Science

Georgia Turner Year 1.0 Science

For the past 7 weeks, 10D's science class has been partially taken up by our class project - a Rube Goldberg machine that demonstrates the chemical reactions we have learnt in class this term. Our aim, which we have been working towards in small groups, is to create a complex machine designed to display individual chemical reactions in one continuous chain-reaction. To achieve this we have had to construct research on the best ways to demonstrate our reactions in our smaller groups, and then join them together to create a singularly functioning machine operated by a single trigger at the beginning.

In order for the machine to work idealistically, we have had to accommodate for the groups going before and after our own. We have attempted to transition between groups to create a chain-reaction, and for the most part have been successful in our original and creative ways to display chemical reactions after an engaging process of experimentation that furthered our understanding of chemistry.

We hope that by week 10 we will have a working Rube Goldberg machine that incorporates a range of chemical reactions.

Careers Notices

Ms Henson Careers Advisor

APPRENTICESHIP OPPORTUNITY

A local automotive transmission workshop in Seven Hills is looking for an automotive apprentice. He isn't concerned if he employs a 1st, 2nd or 3rd year apprentice. A 1st year apprentice is welcome to apply. Overtime work is available and above award wages paid.

Candidate must:

- Have their P's or be obtaining them in the near future.
- Be willing to work Monday – Friday
- Have good work ethic
- Be keen
- Capable of learning

For further information contact Graeme Waldock at DSJONES Automatics 9674 2494 or 0423 400 396

NOTICEBOARD

ADVERTISING IN THE ROUSE HILL HIGH NEWSLETTER

If you are interested in advertising your business or community group in the next edition of this newsletter please visit www.rousehill-h.schools.nsw.edu.au/our-school/rules-policies/rouse-hill-high-school-policies and download a newsletter policy for requirements and procedures.

P & C NEWS

The next P & C meeting will be held on Monday 7 August. All parents and carers are welcome to attend.

If you would like to be added to the P&C email list, simply email the Secretary at nicoletheissen@optusnet.com.au or log on to www.rousehill-h.schools.nsw.edu.au and click on the P&C tab for information.

ADVERTISING

Rouse Hill High School's newsletter contains paid advertisements which assist with the cost of production.

The publication of such advertisements does not imply endorsement of any product or service by the NSW Department of Education and Communities or Rouse Hill High School.
